### General Assistance, Support and Research

- The Alberta Government has released ABTraceTogether, a voluntary cellphone app to aid in COVID-19 contact tracing. The app which use Bluetooth to note whether you came into contact with someone who tested positive for COVID-19 has been released. The app is available for download at the following link: <https://www.alberta.ca/ab-trace-together.aspx>
  - The federal government will soon be "[strongly recommending](#)" that Canadians download a to-be-determined contact tracing app to help identify any possible contacts of confirmed COVID-19 cases.
- **NEW.** The province announced that [in-person K-12 classes will resume in September](#) following the shutdown that began mid-March in response to the COVID-19 pandemic.
- The second round of the province of Alberta distribution of non-medical grade masks (an additional 20 million) resumed on July 13<sup>th</sup>. Distribution will be through A&W, Tim Hortons and McDonald's locations. The government also said it has partnered with 7-Eleven Canada to ship the masks out to transit services. More information available [here](#).
- [AHS](#) has gathered COVID-19 resources available in multiple languages including:

## COVID-19 RESPONSE – EXTERNAL RESOURCES

- [عربي](#) (Arabic)

- YYC Grocery Delivery is a pop-up volunteer group providing free custom grocery delivery for Calgarians in need. Place an order [online](#) or call 403-830-6538.

### Retailers, Businesses and Educational Institutions

- [Fresh Routes](#) will deliver groceries in emergency situations only.

## COVID-19 RESPONSE – EXTERNAL RESOURCES

- [Emergency delivery hampers](#) to those in isolation or emergency financial situations.
- [Leftovers Foundation](#) - Any bakeries or restaurants that are closing temporarily that have surplus food, please contact their team. Email [Heidi@rescuefood.ca](mailto:Heidi@rescuefood.ca) – coordinating routes via the app in order to get food to those who need it most. They are also looking for volunteers to help collect food.
- [Rogers](#) has waived data caps for internet plans, as well as long distance charges and roaming fees, in response to COVID-19 for internet customers. All of this also applies to Fido customers.
- SABVC members are still eligible to apply for the Open Cupboards Emergency Food Hamper program. To apply, just fill out the emergency food hamper request form on [sabvc.ca/services/open-cupboards-emergency-food-hamper-program/](http://sabvc.ca/services/open-cupboards-emergency-food-hamper-program/) and email it to [opencupboards@sabvc.ca](mailto:opencupboards@sabvc.ca). Be sure to also attach your current class schedule as well as your student ID number in the email. In lieu of non-perishable food items, SABVC will provide virtual \$25 grocery Walmart gift cards. Applicants will be responsible for purchasing their own groceries with the gift card. Please note that students are eligible to access the program only once per semester. Online gift cards will be available Tuesdays and Thursdays: <https://sabvc.ca/services/open-cupboards-emergency-food-hamper-program/>
- [Shaw](#) has opened up Shaw Go Wi-Fi to everybody. Shaw will give everyone complimentary and unrestricted access to [Shaw Go Wi-Fi](#) network hotspots regardless of whether or not they're a Shaw customer. They have also have no data caps on Internet plans.
- [TELUS](#) will also provide flexible payment options so that customers don't have to worry about paying their bill on time if they are financially impacted by the outbreak.
  - TELUS is in the process of developing telemedicine and virtual healthcare solutions for Canadians, including home health monitoring and access to one-on-one video consultations with a licensed doctor at no cost on their smartphone and from the comfort and safety of their own home.
  - TELUS is offering free Internet to low-income Canadians amid COVID-19 pandemic via its Internet For Good program. This will include Internet free of charge to customers for a period of two months. The regular cost of the service is \$9.95 per month. According to statistics, more than 200,000 Canadian families, who receive the maximum Canadian Child Benefit, qualify for TELUS' Internet For Good.
  - TELUS is expanding its \$9.95 Internet program to K-12 students in need during the COVID-19 crisis.
  - Albertans receiving financial disability assistance are now eligible for low cost high speed Internet from TELUS. Further details in this [news release](#).
- [Sobey's](#), [Shoppers Drug Mart](#), [Loblaws](#) - Senior shopping hours; reducing fees for grocery delivery, no fees for pick-up, online doctor consultations, free home delivery for medication.

## COVID-19 RESPONSE – EXTERNAL RESOURCES

- Shopper's Drug Mart is offering the 20% seniors discount for the first hour on Tuesdays.
- [Yegna Ethiopian restaurant](#) is donating food to those affected by COVID-19.

### Religious Organizations

- [BowWest Community Resource Centres](#) (offices in Ranchlands & Bowness closed; consult by phone - Besrat: (403) 874-8291; Douw: (403) 804-2908; Rose: (403) 804-9826; Victoria: (587) 892-9999; Germaine: (403) 874-6809)

### Regional campus locations

- As part of City of Airdrie's COVID-19 response, a [Community Resource](#) document has been created that lists the contact information, hours of operation and currently offered services of local social service agencies.
- [Okotoks Food Bank](#) - Bags of food will be prepared beforehand and handed out to Help Yourself Shelf clients at the front door entrance. The number of bags has been reduced from three to two to help deal with the current demand for food. For clients receiving a food hamper, the individual will be asked to make their food selections at the front desk and wait in their vehicles for the hamper to be brought to them. To make a hamper appointment, calling the office is preferred over a drop-in visit (403-651-6629).
- [Wheatland Food Bank](#) (Strathmore) – 403-324-4335- call to request a hamper; Application booking line hours: Mon-Wed 12-4PM, Thursdays 12-3pm

## Income Support/Financial Incentives

### Canada

- Prime Minister Justin Trudeau has announced that the [Canada Emergency Response Benefit program](#) will be extended by eight weeks. More details about this announcement can be found in this [CTV news release](#) and the following [Government of Canada question and answer page](#).
- Prime Minister Justin Trudeau has announced that Canadians with disabilities will be sent a one-time tax-free payment of up to \$600, in an effort to help offset the financial pressures of the COVID-19 pandemic. This new financial aid will go to all who are eligible for the Disability Tax Credit, as of June 1. More information is available in this [CTV news release](#).
- Government of Canada announces online tool, "[Find financial help during COVID-19](#)" to assist Canadians in accessing financial support.
- [Summary of existing programs to assist Canadians impacted by COVID-19](#), as provided by RBC.
- Prosper Canada's tip sheet which includes [10 ways of trimming expenses](#), their [guide of financial help for Canadian affected by COVID-19](#) and [an overview of tax benefits and other support](#).

## COVID-19 RESPONSE – EXTERNAL RESOURCES

- Prosper Canada has launched the bilingual version of the [Financial Relief Navigator \(FRN\)](#), an online tool that provides Canadians access critical emergency benefits and financial relief from governments, financial institutions, telecoms and internet providers. FRN is a one-stop portal where Canadians can access relief measures.
  - Prosper Canada has created a [Dealing with Debt toolkit](#), an online resource which provides a set of activities to help manage your debt, identify money priorities, calculate what is owed and strategize how to pay it back.
  - [COVIDHelpTO](#), multi-language website with resources for income supports, CERB, and housing & rental supports.
  - **NEW.** Prosper Canada has received a ‘[one-stop-shop for COVID-19 benefits and supports](#)’ online tool, which allows for searches for financial supports and programs offered by the federal and provincial governments, service providers, financial institutions, and community agencies specific to the user’s personal situation.
- [Overview of Government of Canada’s Benefits, credits and financial support: CRA and COVID-19](#)
- [Overview of Government of Canada’s support for Students](#)
  - Spring 2020 suspension of repayment of Canada Student Loans.
  - Fall 2020 to 2021 support for post-secondary students
  - Exemption from student and spousal contribution
  - [Backgrounder on the Support for Students and Recent Graduates Impacted by COVID-19](#)
  - Students may be eligible for \$1,250 a month from May through August. Students who have disabilities or are caring for dependents will now receive an additional \$750 a month, bringing their total to \$2000, the same as the Canada Emergency Response Benefit. See also: [Students Who Get The CESB Will Also Be Required To Look For A Job.](#)
  - The CESB "How to Apply" page is: <https://www.canada.ca/en/revenue-agency/services/benefits/emergency-student-benefit/cesb-how-apply.html>
  - Raising the maximum weekly amount that can be provided through the Canada student loans program in 2020-2021 to \$350 from \$210.
  - Students who volunteer over the summer will be paid between \$1,000 and \$5,000, depending on the hours they work.
    - The Government of Canada has released further information on how students can volunteer and then be eligible for up to \$5,000 towards post-secondary tuition. The main portal is: <https://www.iwanttohelp.org/en-CA/>. Further information about student eligibility is here: <https://a.storyblok.com/f/52095/x/503b515b22/cssg-student-volunteer-eligibility-4.pdf> and <https://www.iwanttohelp.org/en-CA/> (video)

## COVID-19 RESPONSE – EXTERNAL RESOURCES

- Doubling student grants for eligible students — up to \$6,000 for full-time students and up to \$3,600 for part-time students.
- Temporary Wage Subsidy for Employers - The federal wage subsidy program will be extended through to [December](#).
- The Government of Canada is also helping young Canadians find paid work placements and get the skills they need to start their careers. These activities include:
  - Supporting an additional 20,000 job placements for post-secondary students in high demand sectors. A new investment of \$186 million in [the Student Work Placement Program](#) will help more post-secondary students across Canada get paid work experience related to their field of study.
  - Creating 10,000 new job placements for young people between the ages of 15 and 30 through the [Canada Summer Jobs program](#). New funding of over \$60 million will help expand the current work placement target from 70,000 to 80,000, creating 10,000 more placements for young people aged 15 to 30. The program provides wage subsidies to employers so they can give quality work experience to young Canadians and help them develop the skills they need to transition into the labour market.
  - Creating 5,000 new internships through [Mitacs](#) for college and university students across Canada with small and medium-sized businesses. Funding of \$40 million will also help develop partnerships with new industries, and offer internships to students in more areas of study.
  - Increasing funding to the [Digital Skills for Youth \(DS4Y\) program](#) by \$40 million to help post-secondary graduates gain professional work experience. DS4Y provides wage subsidy opportunities to help connect young people with small and medium-sized businesses and not-for-profits.
  - Creating over 3,500 new job placements and internships through the [Youth Employment and Skills Strategy](#). New funding of \$34 million, in addition to the over \$153 million announced on April 22, will support programs serving high-demand sectors such as health, community services, and information technology, and help other sectors to recover.
  - Providing \$6.7 million for the [Computers for Schools Plus \(CFS+\) program](#). The partnership-based program refurbishes donated surplus computers and electronic devices, and provides them to schools, libraries, not-for-profit organizations, Indigenous communities, and low-income Canadians. It also offers paid, practical work internships for young people, through which they can develop advanced digital skills as well as experience in project management, teamwork, and communications.

## COVID-19 RESPONSE – EXTERNAL RESOURCES

- Creating 5,000 to 10,000 more work-integrated learning opportunities through the [Business + Higher Education Roundtable \(BHER\)](#). The BHER will launch a national challenge for students to develop creative solutions in response to current and future sector needs as defined by Canadian industry. The national student challenge will help connect Canada’s small and medium-sized businesses with the next generation of talent in Canada.
- The [Financial Supports for people impacted by Covid-19](#) information sheet contains information about the different financial resources that are available in response to COVID-19. [The link](#) to the Government of Canada’s website with an overview of the \$2B strategy for emergency support.
  - Government of Canada’s [Benefits Finder](#).
    - [Further information](#) on their specific response plan.
- For more information on Employment Insurance programs and eligibility, click on the following benefits:
  - [Regular Employment Insurance Benefits](#)

### Alberta

- Alberta Works - [Emergency Needs Allowance](#) - 1-866-644-5135 (24 hour Income Support Contact Centre) toll-free
- Alberta income support – [how to apply](#)
- EI Claim Line - 1-833-381-2725 - one-week waiting period to receive EI benefits has been waived.
- The Alberta Child Benefit and the Alberta Family Employment Tax Credit will be consolidated into a single program. The new [Alberta Child and Family Benefit](#) (ACFB), beginning in July 2020, will provide direct financial assistance to lower-income families with children under 18.
- Additional support and protection for the homeless are being implemented. There will be support of an expansion of network of homeless shelters across Alberta to help cope safety with COVID-19. The Mustard seed and Drop-In Centre are seeking additional sites to meet the short fall of social distancing.
- Student loans repayment holiday. The government will implement a six-month, interest-free moratorium on Alberta student loan payments for all individuals who are in the process of repaying these loans.

## COVID-19 RESPONSE – EXTERNAL RESOURCES

- Government of Alberta Support for Employers and Employees. The Alberta government will provide immediate funding and supportive measures to support local organizations, employers, and employees. Currently, this support includes tax deferrals, job-protected leave, employment insurance benefits, business continuity, and other resources. Please visit the Government of Alberta website for more information, and check back regularly as more updates are made available.

### Calgary

- **NEW.** The [Bissell Centre Community Bridge program](#) offers financial and hands-on support to people on low incomes who are behind on their rent or utilities, to keep them from getting evicted. The financial support comes in the form of a no-interest, no-fixed-time-frame loan. Online application form: <https://bissellcentre.wufoo.com/forms/m5pjfq16vpqh9>.
- [Calgary Dollars](#) is a complementary currency in Calgary to encourage people to buy local and create community connections. Their digital marketplace still active via mobile app. Anyone can be a member of Calgary Dollars for free and members are mailed \$20 in Calgary Dollars on sign up and can generate more Calgary Dollars by offering up services or items for sale.
- The City of Calgary's low-income program has reopened in-person service at city hall. The Fair Entry Program, which [helps low-income Calgarians afford city programs](#), was temporarily closed due to the COVID-19 pandemic.
- The Basic Needs Fund (Through 211 and the Distress Centre Calgary) Regional - Other Local Government Funding – contact 211
- [Financial Supports for People Impacted by COVID-19](#) - article from Momentum that lists what you can do, and who you can call, based on different scenarios.
- [Money Mentors](#) has moved their counselling sessions to phone or Skype.
  - They are offering a [\\$500 Incentive Program](#) with monthly draws which are available for eligible individuals who have successfully completing their [free online courses](#) on budgeting, tackling debt, planning for retirement, surviving a layoff or understanding credit and financial literacy.
  - For parents looking for ways to enrich their children's financial education during this time, they are offering a free online course, [Enrich Your Kids](#), which focuses on effective ways to teach children about money and set them up for financial success. They also have an online [Youth Spending Plan](#) to help your children manage their money better and an [online game](#) designed to teach youth the importance of making sound financial decisions. In addition, to explore ways to increase children's financial education while aligned with the Alberta school curriculum, they have free [extension activities](#) for students from Kindergarten to Grade 12.

## COVID-19 RESPONSE – EXTERNAL RESOURCES

- [Sunrise Community Link](#), in partnership with [Momentum](#) is offering [Sunrise Savings](#), a 6-month program aimed at teaching people how to save money and giving them the skills to really take control of their finances. Contact the Community Advocate at 403-204-8280 or email [info@sunriselink.org](mailto:info@sunriselink.org).
- Women in Need Society thrift stores are now open. Clients in need can also access the Free Goods Referral Program by calling 403-255-5102 ext. 224. If you require assistance from the Family Resource Centres, call to book an appointment at 403-255-5102 ext. 226, Dover location only.
- YYC Student Connection helps business students connect to small businesses that need support. More information [here](#).

### Job Protection, Employment Standards and Future Employment Opportunities

- Bow Valley College's "[Bridging the Gap: A Learning Platform and Marketplace for Jobseekers and Employers](#)" will create a scalable system that assesses employer-defined competencies (using AI based work-related tasks), links workers to training resources, and issues micro-credentials to job seekers.
- Learn more about your [Employment Rights and dealing with COVID-19](#). For example, if you, or a child or adult that you care for is required to self-isolate due to COVID-19 [you can take up to 14 days of job protected leave](#). If the quarantine, illness, or recovery period lasts longer than 14 days, you may be eligible to access [other job-protected leaves](#).
- If you believe you contracted COVID-19 at your workplace, you may be eligible for compensation. Check out the [Workers' Compensation Board Fact Sheet](#) for more information.
- [Temporary changes to Canada Summer Jobs program](#) to help businesses and young Canadians affected by COVID-19. This program will help create up to 70,000 jobs for youth between 15 and 30 years of age. The temporary changes to the program for this year include:
  - An increase to the wage subsidy, so that private and public sector employers can also receive up to 100 per cent of the provincial or territorial minimum hourly wage for each employee
  - Job placements could begin as early as May 11, 2020, and end as late as February 28, 2021.
  - Allowing employers to adapt their projects and job activities to support essential services
  - Allowing employers to hire staff on a part-time basis

## COVID-19 RESPONSE – EXTERNAL RESOURCES

- Action Dignity Society has compiled a [community resource package](#) to support Calgary's ethno-cultural communities.
- Canadian Bureau for International Education – [free webinars](#) on e-learning, academic advising, self-care, and other topics related to international students and education.
- The Government of Canada has issued a temporary ruling change which will remove the restriction that allows international students to work a maximum of 20 hours per week while

## COVID-19 RESPONSE – EXTERNAL RESOURCES

classes are in session, provided they are working in an essential service or function, such as health care, critical infrastructure, or the supply of food or other critical goods. International students and their employers should consult [Public Safety and Emergency Preparedness Canada's Guidance on Essential Services and Functions in Canada During the COVID-19 Outbreak](#) to determine if the work the student is doing would allow them to work more than 20 hours per week during the academic session. This temporary rule change will be in place until August 31, 2020.

- [Guard.me International](#):
  - [Urgent Update](#) re: Covid-19 for students insured by guard.me International in Canada
  - [Useful links](#) from guard.me International.
  - [Mental Wellness Webinars Calendar](#).
- Calgary post-secondaries are adjusting policies for international students. Calgary's five biggest post-secondary institutions — the University of Calgary, Mount Royal University, SAIT, Bow Valley College and St. Mary's University — are all adjusting plans and programs for students from abroad to continue their studies if they have remained in the city or have chosen to return home. Highlights of these changes can be found at this Calgary Herald news article [here](#).
- [Update from IRCC – Implied Legal Status for in-Canada Work Permit and Study Permit Extension Applicants](#) - Immigration, Refugees, and Citizenship Canada have advised international students with temporary resident status to [apply online for an extension](#).

### People with Disabilities

- [CNIB](#) is providing information, virtual programming and Blogs for people with vision loss during the pandemic.
- The [Calgary Ability Network](#) (CAN) is sharing information from a cross-disability perspective
- People who are Deaf or Hard of Hearing can access information in ASL on the [Deaf & Hear Alberta](#).
- Recreational Respite is offering [virtual engagement and social connectivity programs](#) with recreation therapists for children, youth and adults with disabilities and mental health concerns.

### Mental Wellness and Personal Wellbeing Support and Community Connections

#### Community Organizations

- [Inglewood Community Association](#) – offering shopping/transportation/income support/support to vulnerable groups

## COVID-19 RESPONSE – EXTERNAL RESOURCES

- [Silvers Springs Neighbor Network](#) - 403-288-2616 or [buildings@silversspringscommunity.ca](mailto:buildings@silversspringscommunity.ca) to be matched up with a volunteer who can help out with errands for those in self-isolation.
- [University Heights Community Association](#) - UHCA COVID 19 Community Help System – [webmaster@UHCACalgary.org](mailto:webmaster@UHCACalgary.org) - pet supplies and help with errands.

### Community Service Agencies and Government

- Ahmadiyya Muslim Youth Association launched “Neighbourhood Helper” campaign in which Muslim youth will be offering their services to help Canadians who need assistance with picking up groceries, filling prescriptions and providing overall moral support. Canadians who require assistance are encouraged to call 1-855-HELP811 or sign up on [www.helpingneighbours.com](http://www.helpingneighbours.com).
- [Alberta Health Services](#). Contact information for mental health, social and community support, such as [Text4Hope](#) (Albertans can text “COVID19HOPE” to 393939 to subscribe) as well as a variety of online resources to help individuals and families being impacted by COVID, job loss and stress.
  - Alberta Health Services has compiled a Calgary [resource guide](#) of mental health and psychosocial supports available to individuals.
  - A weekly digest of the latest literature and resources regarding the effect of COVID-19 on addiction and mental health is being compiled by the Knowledge Exchange team of Alberta Health Services Provincial Addiction & Mental Health. [Subscribe to receive weekly updates](#).
- [Alcoholics Anonymous](#) will be offering online meetings to its Calgary members every Sunday.
- [CAMH: COVID-19 and Mental Health](#) - resources and suggestions to help support mental health at this time of uncertainty.
- Calgary Chinese Community Service Association (CCCSA) has compiled a list of Mental Health (Counselling) services in Calgary during COVID-19 – see Appendix for a copy of this list.
- [The Calgary Women's Emergency Shelter](#) has temporarily expanded their 24-Hour Family Violence Helpline to accommodate email ([help@cwes.ca](mailto:help@cwes.ca)) and text (403-604-6689), for those who can't use a phone during isolation. Remember those fleeing domestic violence and in need of safe housing can call the shelter's 24-Hour Family Violence Helpline - 403-234-SAFE (7233). If you are in danger, call 911.
  - The [Calgary Women's Emergency Shelter](#) (CWES) has partnered with a hotel chain in Calgary — kept confidential for safety reasons — to offer shelter for women escaping domestic violence. More details in this [Calgary Herald article](#).
- [Children's Grief Centre](#) launched a Text and Chat service to provide emotional support to children and teens.

## COVID-19 RESPONSE – EXTERNAL RESOURCES

- [CUPS](#) is working to provide the majority of their services remotely by phone for the health and safety of clients and staff, they will be opening the CUPS Health Clinic for limited access from 10:00 a.m. to 2:00 p.m., Monday to Friday. In order to access the facility, they ask that clients call the clinic first for health needs at 403-221-8797 or the main line for non-health needs at 403-221-8780 to determine if it's necessary to be seen in person.
- [Distress Centre Calgary](#) - 24-hour crisis line - 403-266-HELP and [online chat](#); [Tips for managing stress and anxiety](#).
- In conjunction with [Drug Free Kids Canada](#), Enough for All has created an [infographic](#) as well as resources and useful strategies to help talk to kids about coping with stress and avoiding substance abuse.
- Even if the gyms are closed, Énergie Cardio has made a wide variety of [training videos](#) available on their website.
- [Immigrant Services Calgary](#) has made several services available online to the public, including therapy and counselling, interpretation and translation services. Their in-home support program and employment-bridging services can also be accessed online.
- Counselling services to children and youth: a result of school closures and reduced access to community resources, Kids Help Phone is experiencing increased demand for its 24/7 confidential online, telephone, and text counselling services across Canada. The Government of Canada will give \$7.5 million in funding to Kids Help Phone to provide young people with the mental health support they need during this difficult time.
- In response to added pressures on essential workers during COVID-19, the Mental Health Commission of Canada (MHCC) has developed a trio of free crisis response training programs designed to help front-line workers deal with the stress of these exceptional circumstances. The three new online programs: Caring for Yourself, Caring for Your Team, and Caring for Others are designed to help people deal with these new challenges and are based on the MHCC's successful in-person courses: Mental Health First Aid and The Working Mind. [Registration](#) for these time-limited courses is on a first-come, first-served basis. For [essential workers](#), as defined by the government of Canada, they are being offered at no cost.
- Psychology Today is a resource database that offers a searchable tool to view profiles, specialties and sort by location. [Click here](#) to review the Psychology Today database.
- [Punjabi Community Health Services \(PCHS\) Calgary](#) (587 999-9312) is providing support to the community and our clients with counselling through video calls, email and phone.
- Rehab4addiction has produced a [useful guide](#) specifically about improving mental health during the COVID-19 pandemic.

## COVID-19 RESPONSE – EXTERNAL RESOURCES

- [Rehabilitation Advice Line](#) is an Alberta only line that provides free rehabilitation advice and general health information for Albertans, available daily from 10:00 a.m. to 6:00 p.m. For more information, click [here](#) or call 1-833-379-0563.
- The [Sagesse](#) office remains open to clients, and have available online and phone support. To connect contact the client services team at [program@sagesse.org](mailto:program@sagesse.org) or call them at 403-234-7337.
- United Way of Calgary and Area is hosting a free webinar on Mental Health and Well-Being. The Link to register [here](#).
- When Vancouver's Phoenix Chamber Choir were forced to end in-person rehearsals, the singers got together online to record coronavirus-themed parodies of popular songs, starting with the Queen classic "Bohemian Rhapsody", to create a virtual performance of "[Coronavirus Rhapsody](#)".
- [Wellness Together Canada](#) offers Mental Health and Substance Use Support, including the following at no cost to Canadians:
  - Wellness self-assessment and tracking.
  - Self guided courses, apps, and other resources.
  - Group coaching and community of support.
  - Counselling by text or phone.
- [Women's Centre of Calgary](#) staff and volunteers will be available from 9:30 a.m. to 3:30 p.m. by phone for referral assistance 403-264-1155.
- [Wood's Homes](#) is offering crisis and counselling support to children, adolescents and families via e-therapy ([ecounselling@woodshomes.ca](mailto:ecounselling@woodshomes.ca)), phone (403-299-9699, 1-800-563-6106), text (587-315-5000) and email ([crtsupport@woodshomes.ca](mailto:crtsupport@woodshomes.ca)).
- [YMCA At Home](#) is offering free online programs to support the community in staying healthy and connected while at home.
  - [YThrive](#) offers virtual workout videos
  - [YWell](#) has activities for spirit, mind and body health
  - [YPlay](#) links you to fun virtual activities for kids of all ages and abilities
  - [YGym](#) has virtual physical activities for kids of all ages and abilities

### Religious Organizations

- [Altadore Baptist Church's](#) Pastor Judy is available on phone and will also be delivering messages online by sending a YouTube link. Here is the link:
- [Calgary Chinese Baptist Church](#)- (403)590-4349. Online service recording in English or Chinese.
- [Hillhurst United Church](#) is holding online services. They have put photos on their pews as well as offering live stream recordings.

## COVID-19 RESPONSE – EXTERNAL RESOURCES

- The Roman Catholic Diocese of Calgary is providing [Mass Livestream](#) from St. Mary's Cathedral as well as other Calgary catholic churches. Masses available in English and other languages including Portuguese, Vietnamese, Spanish and Italian.

### Retailers, Businesses and Educational Institutions

- [BEACON's Stronger Minds](#) is a free digital program providing mental health support for Canadians through the Covid-19 crisis.
- Calgary Zoo has started sharing [Daily Dose at Home](#) videos on its Instagram page. The videos offer behind-the-scenes zoo activity during the temporary closure to keep people engaged with the zoo's conservation and animal care programs. The videos can also be viewed on [Calgary Zoo's YouTube page](#), for those who don't have Instagram.
- Dave Whamond, a talented cartoonist/illustrator is creating free downloadable colouring sheets for all the bored kids stuck at home. He's also going to post some fun mini-workshops. Go to [@DaveWhamond](#) on Twitter for information.
- Music to Stir the Soul. A group of musicians from the Calgary Philharmonic Orchestra and Edmonton Symphony Orchestra are virtually performing together. [Watch here](#).
- [My Body Couture](#) is offering online live classes and pre-recorded movement classes.
- Online directory of local businesses supporting social distancing. [AID LOCAL](#) and [come together](#) and [BE Local Network](#) are online directory of local businesses open for business online, offering gift cards for sale or delivering during the COVID-19 pandemic.
- Online Fitness. Several studios across Calgary are hosting online fitness classes during city-wide closures due to COVID-19. The classes are available through Youtube, Instagram, Facebook and websites. For a full list of online classes, [click here](#).
- Post-secondary specific resources. [University of Calgary](#) is offering staff and student online wellness supports during the pandemic as well as [webinars](#). Mount Royal University is offering [live webinars](#) from student counselling via zoom. These webinars seem to be accessible to the public.
  - The province's post-secondary institutions are postponing convocation ceremonies.
  - Bow Valley College nursing students whose graduation was cut short by the cancellation of instruction are hoping to continue their hands-on practicums in hospital and clinics — both to finish their education and lend a hand when it's urgent.
  - University of Calgary Medical Students volunteers have been enlisted to track down potential carriers of COVID-19. They are contacting the infected by phone, tracking their previous whereabouts and people they were in contact with. They then instruct them to self-isolate so that they don't spread the virus. They are also running errands for medical staff — such as picking up groceries for those who can't leave home — reducing their contacts.

## COVID-19 RESPONSE – EXTERNAL RESOURCES

- RBC Future Launch has launched a new, online resource hub dedicated to youth-focused virtual programming and learning opportunities – [RBC Future Launch at Home](#). Examples of available programs and resources include, but are not limited to, the following:
  - Mental health and well-being
  - Job readiness
  - Skills
  - Online learning
  - STEM

### Resources for Remote Learning

- Bow Valley College, via BVC Green, will be hosting a number of sustainability webinars and online courses. These sessions are open to staff, learners, and alumni:
  - **Summer Eco-Learning Series** - BVC Green and the Intercultural Centre are hosting the Summer Eco-Learning Series. Upcoming presentations include:
    - August 14, Calgary's Water System – with City of Calgary Water Services
    - Full calendar for other presentations, and sign up is available [here](#).
  - **Sustainability 101 Course** - BVC Green is offering an online co-curricular course about sustainability. The course is free and open to students and staff (AUPE, Faculty, Management, and Exempt). Course details and a launch date are still being finalized, but if you are interested in signing up, please fill out [this form](#), and more information will be sent to you shortly.
- [Calgary Board of Education](#): Learning at Home provides a number of supports for kindergarten to Grade 12.
- Calgary Public Library offering story time via YouTube. Episode series is available [here](#).
- [Classroom Champions](#) is making its Classroom Champions SEL Foundations curriculum free and available to everyone. The organization is also creating a toolkit for families that includes lessons and activities. Classroom Champions will also host live chats every day with Olympic and Paralympic athlete mentors.
- [Directory of Educational & Wellness Websites](#) for kids in quarantine.
- [LearnAlberta.ca](#): more than 4,000 digital resources aligned with Alberta's K-12 curriculum.
- The Ontario government has launched [Learn at Home](#) and [Apprendre à la maison](#), a new online portal that will provide resources for families so students can continue their education while schools are closed due to the ongoing COVID-19 situation. These resources are accessible to the public (including to non-Ontario residents) and are general educational resources (versus Ontario curriculum specific).

## COVID-19 RESPONSE – EXTERNAL RESOURCES

- Moving Minds YYC provides free one-on-one or group tutoring sessions in Zoom video conferences, to support Alberta course work from Kindergarten to Grade 12 in all subjects. Students can get a one-hour session each week per subject; they can sign up for tutoring in up to two subjects. More details are at [movingmindsyyc.com](http://movingmindsyyc.com).
- [My Child's Learning: A Parent Resource](#): provides Alberta parents with information specific to each grade level.
- Learn at home with [Noodle-Do-a-Day](#) by [Calgary Reads](#). Every day during recommended self-isolation, Calgary Reads will be sharing a new and free resource for families with young children to help develop their physical health and well-being, emotional maturity, social skills, language and cognition skills, and communication skills and general knowledge.
- Red River College is offering a [free online class](#) on social change to drive interest in the college's Social Innovation and Community Development program. [Social Innovation Foundations](#) runs July 20 to August 14, 2020, and does not have a set schedule, so students can log in when it works for them. The intensive 15 hours per week course can also be applied towards the Social Innovation and Community Development diploma program.
- Learn a new language this year while self-isolating. Picking up new skills is fun with free resources like [Rosetta Stone Library Solution](#). Learn over 30 languages, including Spanish, Italian, Japanese, Chinese, Hindi, and Persian, or improve your English skills with interactive lessons.
- Telus Spark launched 'Spark Science from Home' program. Free programming is available [here](#).

### Resources for Remote Work

- CASE Library has assembled a helpful [Subject Guide](#) as a resource for member institutions that are dealing with COVID-19 and related issues.
- Charity Village report, ["Canadian Employees Share Views On Current And Post-Pandemic Workplace"](#). Robert Half surveyed 500 professionals in Canada to find out more about their current situation, concerns for the future at work, and what they see changing the most.
- [EverTrue](#). Resource hub for working remotely and managing teams during the pandemic. Some resources are role-specific (post-secondary, fund development, etc.).
- [Government of Canada: COVID-19 and Mental Health @ Work](#). Guidance on how best to support employees who may be experiencing a high degree of uncertainty, worry, anxiety, and stress about the health and safety of their loved ones, and how COVID-19 may disrupt their work and personal lives.
- [Peninsula Webinar: Crisis Management in Your Workplace](#) - A webinar to educate organizations on how best to manage during this challenging time. In this 30-minute webinar, learn about: the facts on COVID-19 and what to do now to protect your organization; how to meet new employment laws and manage your workplace in a rapidly changing legal

## COVID-19 RESPONSE – EXTERNAL RESOURCES

landscape; how to update your workplace policies on sick pay and remote work rules; and how to support your employees during this time. Please enter code CCVO01 when registering.
