Message from the President and CEO

On behalf of the Bow Valley College community, congratulations!

Convocation is about you! It is an occasion when the college community, family, and friends come together to celebrate your significant achievement. That you have made it to this day is a testimony to your resilience, creativity, and commitment. By challenging your thinking, you gained the work-ready skills to make a difference in our communities and contribute to Alberta's economy.

Take a moment to reflect on the encouragement you received from others along your journey. Your supporters helped you to be your best, and they are excited for what you will accomplish next.

Your Bow Valley College education has prepared you to launch into exciting new opportunities and a future of possibilities. You have the skills to get jobs or to be job creators. As you embark on your next career steps as a member of this alumni community, know that we will continue to be here to help you reach your lifelong learning goals.

Congratulations once again on your achievement. You have worked hard, and we are confident you will achieve great things. Good luck!

Sincerely,

Dr. Misheck Mwaba
President and CEO

Distinguished Speaker

Her Honour, the Honourable Salma Lakhani, AOE, BSc, LLD (hon) Lieutenant Governor of Alberta

The Honourable Salma Lakhani became Alberta's 19th Lieutenant Governor on August 26, 2020, recognized for her dedication to pluralism, inclusion, and championing those who face barriers in life.

Born in Kampala, Uganda, she was expelled with her family in 1972 during the country's removal of its Asian minority population and became a stateless person. After completing her degree in Clinical Biochemistry at the University of Manchester in the UK, she and her husband, Dr. Zaheer Lakhani, moved to Edmonton, where he completed his cardiology studies and established a medical practice. Salma managed his practice and ran a business focused on early childhood education while volunteering extensively for various local community organizations.

She holds the Alberta Centennial Medal, the Queen Elizabeth II Diamond Jubilee Medal, the Queen Elizabeth II Platinum Jubilee (Alberta) Medal, the King Charles III Coronation Medal, and was presented with an honorary degree from the University of Alberta. As Lieutenant Governor, she serves as Member and Chancellor of the Alberta Order of Excellence.

Honorary Diploma Recipient

Scott Thon **President and CEO, Berkshire Hathaway Energy**

For over two decades, Scott Thon has served as a dedicated Bow Valley College partner, first as the vice-chair of the Board of Governors from 2004 to 2007, and as board chair from 2007 to 2010. He is also a long-time co-chair of the Premier's Scholarship Luncheon committee and a generous donor who has supported several student bursaries along with his wife Deb.

Since earning a bachelor's degree in electrical engineering from the University of Saskatchewan, Scott has spent over 30 years in the energy industry. He has held various senior positions, ranging from operations and engineering to market design and financial management. Scott has also led the investment and construction of major energy infrastructure projects in Alberta, Canada, and around the world.

Scott is currently president and CEO of Berkshire Hathaway Energy and serves as a director of AEGIS Insurance Services, Inc., Aecon Group Inc., and the Edison Electric Institute.

In 2022, Scott received the Queen Elizabeth II Platinum Jubilee Medal in recognition of his contributions to Alberta, and in 2013, he was awarded the Distinguished Citizen Award from Bow Valley College, honouring his commitment to our community.

Scott is also a graduate of the University of Western Ontario's Richard Ivey School of Business Executive Program and received his ICD.D designation in 2015 through the Institute of Corporate Director's Directors Education Program.

Valedictorians

Sky Palomo

Legal Assistant Diploma, Chiu School of Business

Born and raised in the Philippines, Sky earned his master's degree in educational management from De La Salle University. Sky aspired for even greater growth, prompting an international search for "schools with heart", which led him to Bow Valley College.

Sky enrolled in the Legal Assistant diploma program, inspired in part by a lighthearted moment during his studies in the Philippines, when he and his friends joked about pursuing law. His motivation, attention to detail, and hard work led to outstanding academic performance and self-improvement over the course of the program.

Sky's journey is a testament to resilience, the pursuit of one's passion, and how small moments can turn into lifelong journeys.

"BVC has humbled me in a lot of ways... But one can always choose to be B.V.C. – to be the Best Version of Canada."

Ritik Chawla
Health and Human Services Management Post-Diploma Certificate, School of Community Studies

Originally from India, Ritik holds a Bachelor of Dental Surgery and worked as a dentist before becoming a patient care coordinator in hospital.

Ritik relocated to Canada last year, enrolling in the Health and Human Services Management post-diploma certificate at Bow Valley College. His goal is to obtain a leadership role focusing on reforming the system to improve services and patient care.

Ritik is passionate about mentoring others and has benefitted from the mentorship of faculty members at the college. Ritik volunteered as a mental health wellness mentor for fellow Bow Valley College students and worked as a research assistant on a project related to healthcare management. He will be working on another applied research project related to stress and self-efficacy.

“Bow Valley College taught me that every challenge is an opportunity in disguise. By believing in myself and manifesting my goals, I’ve transformed dreams into reality. The future is ours to shape.”

Welcome to the Alumni Community

Dawn Chapman
Disability Studies Diploma, 2023
School of Community Studies

School of Community Studies graduate Dawn Chapman chose Bow Valley College because she knew she would find support for her needs. Dawn started the Disability Studies program online in September 2019, as it allowed her flexibility in managing both her schoolwork and her family's needs.

In April 2022, Dawn began working as a part-time program director for Ups and Downs Calgary Down Syndrome Society, which supports parents who are new to the community or want to connect with others. A year later, Dawn was offered the position of executive director.

"I wanted to come out with something enjoyable and make my experiences exciting," says Dawn. "This program has allowed me to see the impact I have on people, which is truly worthwhile"
