Message from the President

Dear Graduating Class,

On behalf of the Bow Valley College community, congratulations!

Convocation is a significant achievement, celebrating your resilience, creativity, and commitment. By challenging your thinking, you gained work-ready skills that will make a difference in our communities and our economy.

During your time at Bow Valley College, and with the support of your peers, instructors, and other College employees, you made your learning count. Take a moment to reflect on the encouragement you received from others along your journey. Your supporters helped you to be your best, and they are excited for what you will accomplish next.

A Bow Valley College education opens doors for your future and provides new opportunities. As you embark on your next career steps as a member of this alumni community, know that we will continue to be here to help you reach your lifelong learning goals.

Congratulations once again on your achievement. You worked hard, and we are confident that you are ready to go and achieve great things. Good luck!

Sincerely,

A handwritten signature in black ink, appearing to read 'Misheck Mwaba', with a stylized flourish above the name.

Misheck Mwaba, PhD., P.Eng.
President and CEO

Honorary Diploma Recipient

**Kevin Gregor,
Managing Partner, Boyden**

Kevin was born in Oxbow, Saskatchewan but grew up in Sherwood Park, Alberta. He graduated from the University of Alberta with a Bachelor of Commerce (with distinction) and has completed the ICD-Rotman Directors Education Program.

Kevin began his business career with Xerox Canada and after a successful 15-year career, which saw him rise to Managing Partner Alberta, Saskatchewan, NWT, and Yukon, Kevin left Xerox to become Vice-President, Western Canada for Relizon Canada. In 2001, Kevin was named to the position of Corporate Vice-President, Business Development for Canada, a position he maintained until he left Relizon in 2005 to become a leader in executive search throughout Western Canada.

Kevin continues to be active in our community and has served on a variety of boards including Alberta Blue Cross; Calgary Chamber of Commerce; Calgary Educational Partnership Foundation; Association of Canadian Community Colleges; Calgary Airport Authority; Calgary Homeless Foundation; RCMP Heritage Centre; Alberta Economic Development Authority; Peter Lougheed Hospital Development Council; Calgary Health Trust; Kids Cancer Care Foundation of Alberta; Prostate Cancer Canada; Alberta Blue Cross Foundation; Calgary Petroleum Club; Boyden Canada, and, of course, he was a founding Board member of Bow Valley College.

Valedictorians

Jamie Pinca, Practical Nurse Diploma, School of Health and Wellness

Jamie has always been fascinated by health care, and Bow Valley College provided her with a pathway to learn more about it and to help those in need.

The Practical Nurse program has brought her lifelong connections with classmates, instructors, and primary nurses on clinical units. During her studies, Jamie was a peer tutor and a member of the SABVC Pride Club. Her biggest takeaway from the program is that there is always something new to learn.

Jamie wants to obtain her Bachelor of Nursing and work as an operating room nurse. She also hopes to take on a role to create positive change in the health care system, such as working with the 2SLGBTQ+ community to increase access to safe, gender-affirming care.

“My time at Bow Valley helped me realize my full potential as a student and community member,” Jamie says. “It will always remind me to advocate for myself and others in need, whether in my career or in my personal endeavors.”

Roma Marie Magbitang Canilang, Administrative Professional Certificate, Chiu School of Business

Roma moved to Canada in December 2020 to study at Bow Valley College. Before that, she worked for a medical insurance company in Dubai, United Arab Emirates for eight years.

Helping others overcome challenges as a peer tutor was one of the highlights of her studies at the College. She says supportive instructors and an inclusive atmosphere encouraged learners to help each other.

One of her career goals is to work as an administrative manager in a business office or hospital. She also aspires to set up a non-profit organization that helps students in the Philippines transition to online learning, "to give back to the country that has given me so much."

"Achieving our goals is essential, but the people we met, the experience we shared, and the lessons we learned throughout our journey give our life a whole new meaning," she says.

**Joelle LaVallie,
Business Administration Diploma,
Human Resources Major, 2021**

Joelle faced discrimination based on her ethnicity and family status in the workplace; however, she used these experiences to fuel her passion for education in a field where she could make a difference.

“I want to use my experience to help other people,” she says.

In her new career as a human resources professional, Joelle helps protect employees from discriminatory practices. “I believe every employee deserves to be treated fairly, and that management and supervisors should uphold the law,” she says.

Bow Valley College offered Joelle a supportive learning environment from instructors who cared. As an Indigenous student, Joelle also connected with the Inikokaan Centre, where she would engage with the Elders, meet other Indigenous students, and participate in the smudging ceremony. “It just felt like a home there,” she says.
