

Accessibility Services

Accessibility Advisors provide services to students with diverse needs and disabilities, including:

- Learning disabilities
- Mental health diagnoses
- ADHD
- Physical disabilities
- Short term disabilities (i.e. broken arm)

Accessibility Advisors can help with:

- academic accommodations
- referrals for assessments
- grants for students with disabilities

If you have a disability, or if you suspect you have a disability, please contact us - we're here to help!

Confidentiality

Any information you share with us will be kept confidential and will not be shared with others. It is your right to share information or keep it private from your instructors and classmates.
